

## **PART-TIME USHERS**

Join the team at the Kupferberg Center for the Arts. KCA is looking for reliable, personable, energetic people to work as part-time ushers for the Center's three performance spaces: Colden Auditorium, Goldstein Theatre and Lefrak Recital Hall. KCA annually hosts a wide variety of musical, dance and dramatic presentations, as well as many cross-cultural events, ceremonies, recitals, corporate meetings and rallies.

Kupferberg Center for the Arts Ushers work the front lines, are the face of KCA and our "Ambassadors of Good Will". Ushers take/scan tickets, provide seating direction, insure that our "house rules" are followed, answer a myriad of patron questions and, on occasion, assist with merchandise sales, Meet & Greet operations and post-show clean-up of venue. Available shifts, which range from 3-6 hours depending on need and program, are at various times of the day and evening with many weekend opportunities – perfect for those looking for a flexible work schedule to compliment school or additional employment commitments.

The Kupferberg Center for the Arts is located on the campus of Queens College (65-30 Kissena Blvd., Flushing, NY 11367).
